PETITION TO REMOVE RONAL SERPAS AS NOPD SUPERINTENDENT

On March 24, 2010 Mayor-Elect Mitch Landrieu promised the citizens and residents of the City of New Orleans that he would appoint a police chief "who will inspire confidence in the community and in the department." He appointed Ronal Serpas as NOPD Superintendent in May, 2010. We, the undersigned, do hereby declare that we have

NO CONFIDENCE

in the ability of current NOPD Superintendent Ronal Serpas to make New Orleans safe or to seriously address the murders and violent crime that continue to devastate our community. We have no confidence that Mr. Serpas has the ethical judgment and moral compass to change the culture of the NOPD. We call upon our Mayor to stand up for us as a community by appointing a police chief who will inspire our confidence, trust, and collaboration. **We call upon Mayor Mitch Landrieu immediately to remove Chief Serpas from his position as police chief of the City of New Orleans.**
